

20 Questions about mum

How much does your daughter really know about you? Here are 20 questions for her to answer.

Prepare to be amused and surprised by some of her answers!

Depending on your daughter's age, there are three ways she can complete the questionnaire.

1. You can print the questions out and ask her to write down her answers.
2. You can read the questions out to her and have her tell you her answers.
3. You can read the questions out to her and record or videotape her responses on your phone. This would be a lovely keepsake that you can replay in years to come.
